Vikrom Narula

Basic Info

Student at Mahidol University International College, interested in data enineering and back-end developement. Current projects and other information can be found on Github.

Education

2018–2022	**Mahidol University International College**
	Undergraduate Computer Science
2007–2018	**Rayong English Programme School**
	High School, Middle School Science, GPA: 3.4

Work Experiences

INTERNSHIP	**Agoda: Back-end Developer Team**
	.NET, Scala,, Play, Hadoop, Gitlab CI/CD
PART TIME	**The Gang Technology: Django Python Back-end Developer**
	Django, Python, Swagger, PostgreSQL
PART TIME	**Marketing Company: React TypeScript Back-end Developer**
	React, TypeScript, GraphQL, PostgreSQL

Projects and Tools

Theses are my works, and programming language of the projects.

SIDE PROJECT	**Crypto Analyser via Web Scrapping**
	Python, Pandas, BeautifulSoup
SIDE PROJECT	**Python Machine Learning: NPL Steam Games Reviews**
	Python, Sklearn, Pandas, Numpy, Matplotlib
SIDE PROJECT	**Python Deep Learning: Terrain Generation with basic input**
	Python, Keras, Tensorflow
SIDE PROJECT	**Public Transportation API: BTS & MRT map API**
	Python, Django
SIDE PROJECT	**Golf Tournament Application**
	React, React Native, Firebase, Firebase Authentication, Expo, Chakra

Certificates

JAN 30, 2021	**IBM-Blockchain**
	Hyperledger-Farbric
JAN 23, 2021	**FreeCodeCamp-Javascript**
	JavaScript Algorithms and Data Structures
JAN 16, 2021	**Google-DialogFlow**
	Google DialogFlow Badge
NOV 13, 2020	**Coursera-DeepLearning**
	Deep Learning Specialization
